Uttar Pradeesh (Lucknow) | +91 9415448882 | anubhawpandey99@gmail.com | [Linkedin](#)

TECHNICAL SKILLS

- ❖ **Languages** : JavaScript, Python
- ❖ **Web Technologies** : HTML, CSS
- ❖ **Tools**: Git, Github

EDUCATION

- ❖ **Bachelor of Computer Application (Data science and Artificial Intelligence) 2022 – Expected Jun'2025 (Babu Banarasi Das University), Lucknow**
 - **Cumulative GPA till 4th Sem: 6.7 / 10**
- ❖ **Secondary 2019 | Uttar Pradesh Board (U.P. Board) | Percentage : 81%**
- ❖ **Higher Secondary 2021 | Uttar Pradesh Board (U.P. Board) | Percentage : 74%**

PROJECTS

- ❖ **TO DO LIST** | JavaScript, HTML, CSS
 - Developed a simple and interactive to do list using HTML, CSS and JavaScript. It allows users to create, edit, and delete tasks with a clean and responsive design.
 - Implemented JavaScript for dynamic task management and local storage to persist user data, enhancing productivity and organisation.
- ❖ **Weather App** | JavaScript, API, HTML, CSS
 - Developed a website to check weather conditions using HTML, CSS, and JavaScript, integrating an external API to fetch and display weather conditions for different locations.
 - Added features for previewing images based on weather conditions to enhance user experience, including error handling. The website is fully responsive.
